ALIVE IN THE ALPINE
 WOODLAND PARK COLORADO

Hi-ho!

I'm back in Woodland's fair city,
where the mountains are pretty!... Ahhh,
I love to be Alive in the Alpine!

Calling Pike's Peak home is a unique adventure that we cherish here in the **City Above the Clouds**. The pristine beauty of our hiking trails, the plant and wildlife, and the fresh mountain air are like nowhere else!

This year I am bringing lots of great deals that celebrate our embrace of winter even as the snowbirds are flying south! Why? Because no other community comes alive more than when Woodland Park's prices fall faster than the thermometer! All our favorite businesses are joining in the fun with **un-brr-lievable sales** and we can't wait to snow you what's in store!

Choosing to live in mountain country isn't always easy, but it's always worth it. And the same true grit that keeps us moving in the winter months, feeds our desire to **play hard and live well!**

So this February, bring your appetite for great food and great deals. Shop by to stock up, fuel up, gear up, rest up . . . and then do it all over again as we celebrate being **Alive in the Alpine!**

It's a Winterful Life,
The Moose 🐾
